

DMT 2020 Poster & Abstract Submission Form

March 9th - 11th, 2020

Galveston Island Convention Center, Galveston, TX 77554

Poster Session and Call for Abstracts

All presenters are responsible for registering in advance for the conference, paying the registration fee, and securing and paying for travel and lodging.

Posters will be displayed Tuesday morning, March 10th until the end of the judging day.

During the judging and session, authors should remain with the poster for about 30 minutes responding to questions from interested observers. The best poster selected will win an award.

What is the poster session?

Poster presentations in any area of Diagnostic Management by graduate students, residents, fellows, lab personnel or administrators are being solicited for the Diagnostic Management Team Conference to be held March 9th - 11th, 2020 at the Galveston Island Convention Center.

This includes but not limited to, an information exchange and collaboration among researchers, clinical staff (including nursing, scheduling), information services, and lab staff regarding Diagnostic Management Teams. Presentations of completed research, as well as preliminary findings of work in progress are encouraged.

If you have a poster on an area not mentioned, please select other in the submission form.

Deadline

The deadline for abstract submissions: February 22nd, 2020

Submission Process

Submit an Abstract for Review. EMAIL this document with your abstract on the last two pages. Please include your mobile phone number.

Abstracts must be less than 500 words, explain and promote the project and be double-spaced using the outline below. Title block does not count for the word restriction. Please submit the full bibliographical citation (title, authors, etc.).

Attached is the abstract template sample, instructions and the page area to create or paste your abstract. Please follow the instructions on the abstract template. We will assign an abstract number when your poster is displayed.
